

Forward-looking statements disclaimer

This Annual Report & Accounts has been prepared for, and only for, the members of the Company as a body, and no other persons. The Company, its Directors, employees, agents or advisers do not accept responsibility to any other person to whom this document is shown or into whose hands it may come and any such responsibility or liability is expressly disclaimed.

Certain information contained in this document, including any information as to the Group's strategy, plans or future financial or operating performance, constitutes "forward-looking statements". These forward-looking statements may be identified by the use of forward-looking terminology, including the terms "aims", "anticipates", "believes", "continue", "could", "estimates", "expects", "guidance", "intends", "may", "outlook", "plans", "predicts", "projects", "seeks", "should", "targets" or "will" or, in each case, their negative or other variations or comparable terminology, or by discussions of strategy, plans, objectives, goals, future events or intentions. These forward-looking statements include all matters that are not historical facts. They appear in a number of places throughout this document and include statements regarding the intentions, beliefs or current expectations of the Directors concerning, among other things: the Group's results of operations, financial condition, prospects, growth, strategies and the industry in which the Group operates. Examples of forward-looking statements include financial targets which are contained in this document specifically with respect to RoTE, the Group's COR, the COR for the Group's Commercial division, and cost savings. By their nature, all forward-looking statements involve risk and uncertainties because they relate to events and depend on circumstances that may or may not occur in the future or are beyond the Group's control.

Forward-looking statements are not guarantees of future performance. The Group's actual results of operations, financial condition and the development of the business sector in which the Group operates may differ materially from those suggested by the forward-looking statements contained in this document, for example directly or indirectly as a result of, but not limited to, UK domestic and global economic business conditions, market-related risks such as fluctuations in interest rates and exchange rates, the policies and actions of regulatory authorities (including changes related to capital and solvency requirements or the Ogden discount rate), the impact of competition, currency changes, inflation and deflation, the timing impact and other uncertainties of future acquisitions, disposals, joint ventures or combinations within relevant industries, as well as the impact of tax and other legislation and other regulation in the jurisdictions in which the Group and its affiliates operate. In addition, even if the Group's actual results of operations, financial condition and the development of the business sector in which the Group operates are consistent with the forward-looking statements contained in this document, those results or developments may not be indicative of results or developments in subsequent periods.

The forward-looking statements contained in this document reflect knowledge and information available as of the date of preparation of this document. The Group and the Directors expressly disclaim any obligations or undertaking to update or revise publicly any forward-looking statements, whether as a result of new information, future events or otherwise, unless required to do so by applicable law or regulation. Nothing in this document should be construed as a profit forecast.
